WHY CHOOSE US

PERSONALIZED FAREWELL EVENTS

It's common for a family to tell us that they chose Walker because they've attended one of our events and knew we could make it special for their family. The team at Walker is known throughout Southern Maine for creating beautiful, personalized farewell events. Whether it's a small intimate gathering for the immediate family or a large community event, we always personalize the experience to tell the story of a lifetime.

We are now serving families from our historic beautiful Funeral Home in Downtown Portland and our contemporary funeral home in South Portland with comfortable gathering spaces. We continuously update our facilities to provide a warm and welcoming experience for the families we serve. You will find a team of caring funeral professionals at each facility ready to serve. Our amazing staff members have been trained in the Walker way of serving families and are available 24x7 should you need our help.

LOCALLY OWNED AND FAMILY OPERATED

PLANNING AHEAD

We plan ahead for the important events in our life, from college and weddings to birthdays and retirement. So, why wouldn't you plan ahead for your own funeral or celebration of life? By placing your advanced funeral plan on record with us, you have ensured that your family is aware of your wishes at the time of need. This reduces a significant burden which allows them to focus on the memories of your life rather than the details of your death.

One key advantage of pre-planning with our funeral home is that when you also pre-pay, you are guaranteed tomorrow's products and services at today's prices for most of our plans. While we can't control external costs like cemetery fees and newspaper notices, pre-planning with Conroy-Tully Walker Funeral Homes assures that all of the primary funeral, burial or cremation costs will be covered. And that means your family members won't feel the pressure of unexpected costs at an already very emotional time. We arrange for the funds covering your funeral to be placed in a state regulated Mortuary Trust account, so even in the unlikely event that our Funeral Homes close, your pre-planned funeral is still paid for and will be carried out by another funeral home if you or a loved one chooses. Likewise, we honor and accept most prearrangements from other funeral homes.

Ways to Plan Ahead:

General:

- Gather personal information for your obituary
- Make note of any instructions for your service or disposition.
- List banks, retirement accounts, and insurance policies you have available to help with end of life expenses
- Consider establishing a mortuary trust to provide funds for funeral or cremation services

Funeral or Memorial Gathering:

- Choose burial or cremation
- Choose location and type of ceremony
- Determine if you'd rather have a formal, traditional service or an informal memorial gathering
- Select music and special readings or poems
- Choose a theme for decorations and Remembrance Stationery
- Arrange for flowers, food, beverages and transportation for your family

PERSONALIZED CEREMONIES

TOP 4 CREMATION CONCERNS

CONCERN #1

Secure Cremation

WONDERING IF THEY RECEIVE THE CORRECT REMAINS

A quick Google search on the term “cremation mistake” returns 765,000 shocking results. Page after page of examples in which unintentional mistakes resulted in the family receiving the wrong ashes back from a crematory or funeral home.

We believe you should never have to question whether we return the correct remains to your family. That is why Walker diligently oversees every step of the cremation process, EXCEEDING industry standards. Rest assured that we take the secure care of your loved one’s remains very seriously.

CONCERN #2

HAVING THE OPPORTUNITY TO SAY GOODBYE ONE LAST TIME

Saying goodbye to your loved one is never easy. Unfortunately, in today’s culture, many people try to skip this step. The sad reality is that failing to say goodbye to someone you love leaves emotional wounds that may never heal.

Private Farewell

At Walker, whenever possible every family is given the opportunity to say goodbye to their loved one in one of our intimate, well-appointed Private Farewell rooms. If a public visitation is planned the Private Farewell is typically scheduled to precede the public time. On a practical level, this an important step in our security procedures. On an emotional level, this private time helps family members as they mourn the loss.

TOP 4 CREMATION CONCERNS

CONCERN #3

THE TIMELINESS OF THE CREMATION

The timing of the cremation is a major concern for many families we serve. One advantage of having a trusted crematory partner is that with just one phone call, your loved one's cremation can be scheduled to fit the needs of your family.

This type of express service is something for which most crematories charge extra. However, the Walker Team always goes above and beyond to meet your schedule at no additional cost to you.

On rare occasions a cremation will be delayed because of the lack of state mandated medical signatures. Should this happen we will let you know right away so you can plan accordingly.

CONCERN #4

DECIDING WHAT TO DO WITH THE CREMATED REMAINS

All too often a family member receives the cremated remains and are left wondering...now what? Do you scatter the remains? Do you place them in an urn?

What do you do with the urn? Sadly, failing to consider this issue creates a burden for future generations as they are faced with the task of deciding what to do with the cremated remains of family members. That is why we make it a priority to discuss the important topic with every family we serve. Fortunately, families in our area have multiple options. For example, we offer Scattering at Sea ceremonies right here in Casco Bay. In addition, some of our local cemeteries have beautiful permanent memorial options.

HONORING VETERANS

PROUDLY SERVING OUR VETERANS

Veteran Benefits

In addition to coordinating honors related to the service itself, we can help you communicate with the U.S. Department of Veterans Affairs (VA) to arrange for:

- **A Presidential Memorial Certificate:** This is a certificate expressing the nation's recognition of the veteran's service. The veteran's name is inscribed, and the certificate bears the signature of the President.
- **Headstones or markers:** The VA provides headstones and markers for the graves of veterans anywhere in the world and for eligible dependents of veterans buried in national, state, or military cemeteries.
- **Memorial plots:** If an eligible veteran's remains are not available for burial, the VA will provide a plot and headstone or marker in a national cemetery for memorialization. If you wish to place the memorial in a cemetery other than a national cemetery, the VA will provide the headstone or marker but not the plot itself.
- **Burial in a VA national cemetery or a State of Maine Veterans Cemetery:** This includes the gravesite, opening and closing of the grave, and perpetual care. Maine has 4 beautiful Veterans cemeteries, two of which are in **Springvale and Augusta**.
- **Reimbursement of burial expenses:** For information on eligibility and the different levels of potential reimbursement, please review their [Guide to VA Burial Allowances](#)

Military Honors

Military funeral honors are free of charge and mandated by law for eligible veterans. Eligibility will be verified by the veteran's DD-214, or discharge papers. Eligible members include:

- Military members on active duty or in the Selected Reserve.
- Former military members who served on active duty and departed under honorable conditions.
- Former military members who completed at least one term of enlistment or period of initial obligated service in the Selected Reserve and departed under honorable conditions.
- Former military members discharged from the Selected Reserve due to a disability incurred or aggravated in the line of duty.

At minimum, eligible veterans are entitled to the folding and presenting of the American flag to the next of kin and the playing of Taps by a bugler or recording. These honors are performed by an honor guard detail that consists of at least two members of the Armed Forces. One member must be a representative from the branch in which the veteran served, and this member will be the individual who presents the flag.

Honors also can include:

- A three-volley rifle salute for certain veterans (eligibility varies) to represent duty, honor, and country
- The U.S. flag draped over the casket or folded properly near the urn
- A final salute at the gravesite or other location
